## The Church Hall

It is already being used for small functions although the work on it is not quite finished.

A sum of \$25,000 was borrowed to renovate the hall (to be repaid over 4 years).

We have already spent \$40,000 due to unforeseen problems (white ants etc) and need a further \$5,000 before we can complete the work. We ordered tables for the hall (\$3,800) which we have to pay in 3 months time.

Our repayments on the initial loan are \$160.00 a week.

10 people have promised help on a weekly basis, which yields \$80 of the repayment (exactly half).

There is an obvious need in that area and we appeal to your generosity once again to help make the church hall a community venue to be proud of.

Please help either through weekly contributions or once a year donation.

### A word of Thanks:

I would like to express my gratitude to all those who helped through their work and their donations. The donations we receive are mentioned in these pages.

There are many others who helped with their work. I would like to thank them all, and may I mention only two names:

- Mr Abdallah Wazir, who worked more than 4 weeks, offering his expertise freely to the church.

- Mr Sayed Ibrahim who is a friend of our church and who carried out many of his works freely.

The Lord who sees all, will surely reward you all, for your generosity.
